## MEMORANDUM FOR THE RECORD

SUBJECT: Office of Security Reorganization

- 1. On 8 May 1973, the Reorganization Task Force met with the Director and Deputy Director (designate) of Security and the following additional guidelines were received for consideration. A deadline of 15 May 1973 was established for accomplishment of this task.
  - 2. The following are the new matters for exploration:
  - a. Establish a third Deputy Directorate to be named Deputy Director of Security for Policy and Management (DD/PM). This position is to carry a GS-17 grade with a GS-16 to be assigned to the position of Chief, Plans, Programs and Administration Division.
  - b. Absorb within the DD/PM those functions originally under the cognizance of the Executive Officer, that is, Plans, Programs, and Administration and the Special Security Center.
  - c. Consider the feasibility of also integrating into DD/PM, an Information Handling Group (vice Computer Security Group) and the Security Records Division.
  - d. Elevate the position of Chief, Security Support Division to a GS-16 with his deputy to GS-15.

- e. Elevate the Chief, Operational Support Branch to GS-15 and integrate the Alien Affairs Officer into this Branch as the Deputy Chief, and downgrade the Alien Affairs Officer position to a GS-14.
- f. Assign to the Chief, Clearance Division, a C.I. specialist at the GS-15 level and have him report directly to the Chief, Clearance Division without Research Branch responsibility as such.
- Discussion was had with regard to elevating the position of Chief, Technical Division to GS-16, but Messrs. Osborn and opined that this position should remain at the GS-15 level. 25X1A
  - 4. Tasks to be completed:
  - a. Approval and/or amendment of draft organizational chart of OS (attached) and its completion in final form of chart
  - b. Discussion by Task Force of grade structure for microfiche operators in Security Records Division.
  - c. Complete a Summary by Grade and Average Grade Completion for the position organization, for the position organization, and the surplus grades resulting from the reorganization
  - d. Compilation of Supergrade Positions with analysis of present and proposed structure, and those supergrades deleted as a result of reorganization
  - e. Preparation of concise narrative analysis of the affects of reorganization to accompany charts and summaries for briefing to the DD/M&S by the Director of Security
